This game was updated on 22.06.2012. Download LocoRoco Description It's a huge massive adventure full of quirky mini-games, awesome platforming challenges, and local co-op multiplayer! The LocoRoco games follow the adventures of a group of playful robots after they crash land on a lush, mysterious island. Based on the cult Japanese video game of the same name, LocoRoco is fully voiced by the original voice actors and features all-new English, French and Italian dialogue! Jump, run and shoot your way through a variety of challenging levels, each one more beautiful and fun than the last. A rockin' rhythm-based soundtrack, an intense co-op multiplayer experience, and a plethora of mini-games will keep you coming back for more! The LocoRoco games are rated E for Everyone, and are playable by anyone who's 7 years old and up! When a young boy finds a magical LocoRoco on the beach, he is whisked off to the island of LocoRoco and finds it to be the perfect place to play and relax, but just a short time later, he is in the middle of a mysterious battle between the robots and the beasts and must work together with his fellow robots to save the island. Features: Full voice-over based on the original Japanese game! All-new English, French and Italian dialogue! Rhythm game comes to life with a rockin' soundtrack! Intense co-op multiplayer action! Mini-games! Multiplayer split screen! 82157476af
